

## **Open Gov Week Brazil Panel**

Closing Webinar

May 23, from 9:30 AM to 11:00 AM

### **Theme – Building a More Open Brazil: Experiences and Perspectives**

link: <https://youtube.com/live/452eCQvBIL0?feature=share>

#### **Opening**

Institutional remarks

- Representative from each OGP member in Brazil
- Academia and civil society
- OGP Local Americas

#### **Panels**

Governments

- Progress on Action Plans, experiences from newly joined OGP members and key initiatives. Each Brazilian subnational government member will talk about their Action Plan.

#### **Civil Society**

- The importance of fostering a culture of open government in Brazil
- Open government in Brazil: an OGP perspective
- The importance of the “Rede Brasileira de Governo Aberto” for spreading the agenda nationwide

#### **Interactive Segment**

- Introduction (OKBR)
- Presentation on the next steps for the “Rede Brasileira de Governo Aberto” – covering the importance of the space for strengthening the agenda in Brazil; a space for exchange and learning for local governments interested in applying to OGP; approval of the Network’s bylaws; and the 6th Open Government Meeting in the second half of 2025.

#### **Topic Mapping**

- An interactive moment where participants in the webinar and the livestream chat suggest guiding topics for the 6th Brazilian Open Government Meeting.

#### **Closing**
